

## **Peter Dolan**

### *General Manager*

Peter Dolan is the General Manager with Matot, Inc. ([www.matot.com](http://www.matot.com)), a fourth generation innovator and manufacturer of commercial grade lift solutions for commercial, healthcare, industrial and residential environments. In his role, Peter heads the Matot executive management team and recognizes the importance of building individual customer relationships to ensure a long lasting rapport that will augment and strengthen the customer focus of Matot.

Prior to merging with Matot, Peter began his career under the scrupulous tutelage of his Father and Grand Father at the family owned business, Atlas Elevator Company in Chicago. Peter had a broad array of responsibilities including Production Manager and Director of Sales which has given him a greater understanding of both facility and field. The wealth of experience he gained allowed him to operate the 60 year old company and grow the sales into one of the largest commercial dumbwaiter manufacturers in the country. Peter is proud to bring his experience and knowledge to the Matot family.

Peter received his Bachelor of Science degree in Business Administration from Marquette University. Peter has an electrical certification from the Coyne American Institute and has been published in the NAEC Certified Elevator Technician Manual Edition 2005. Peter lives in Elmhurst with his supportive wife, son and beautiful newborn daughter.
