

Theresa Fitzgerald

Vice President, Finance

Theresa Fitzgerald is Vice President, Finance, of Matot, Inc. (www.Matot.com), a fourth-generation innovator and manufacturer of commercial grade lift solutions for commercial, healthcare, institutional and residential environments.

In her role, Theresa is a member of the Matot executive management team and is responsible for every aspect of finance, accounting, purchasing and inventory management. To increase Matot's revenue and diversification, Theresa has investigated joint ventures and outside acquisitions. In addition, she was responsible for transitioning the company's comprehensive software system and oversaw a system upgrade to better manage and monitor Matot's sales volume.

Prior to joining Matot, Theresa served as controller of Vertiflex Company where she strengthened the company's different divisions regarding proper cash flow and to allow for additional planning capabilities. She also instituted a program for cross-training office personnel and implemented policies and procedures for employee reviews and performance appraisals.

As a certified public accountant, Theresa has also held previous financial positions, including controller at Matot for seven years; manager at Popowcer & Company, Ltd; and audit and accounting manager at Laventhol & Horwath.

Theresa holds a Bachelor of Science degree in accounting from Millikin University and is an active member of the American Institute of Certified Public Accountants (AICPA) and the Illinois Certified Public Accountants Society (ILCPA). She lives in Elmhurst with her family.
